

Declaration for reusable products

TEDA PACK declares that in accordance with the requirements of Directive 94/62/EC of the European Parliament and the Council of 20 December 1994 regarding packaging and packaging waste, the product groups listed in this certificate meet the requirements related to the reusability of packaging.

This declaration is backed by laboratory reports – N 121251120817704 from 19.04.2023 and N 121281121717707 from 19.04.2023, from external accredited laboratory.

This declaration applies for the following product ranges, made from polypropylene (PP) material:

- HLP product range
- FLP product range
- HLP Oval product range
- HLP Octa product range
- HRC product range
- Cont. 181/132 product range
- Round containers d101 product range
- Drinking cups product range
- MAP SW product range

TEDA PACK declares that the product ranges listed in this declaration are safe and compliant with the laws in force for usage under the following conditions:

- Use in microwave ovens
- Use for ready meals and hot drinks
- Reusable
- Use in dishwasher at temperatures up to 65 °C

Therefore, the products listed in this declaration are not covered by Directive 2019/904 of the European Parliament and of the Council of 5 June 2019 on reducing the impact of certain plastic products in the environment.

This declaration is made in electronic version as well as proceeded and transmitted in electronic version and is valid without stamp and signature.
